The Bieger family was recently advised of the arrest of Raymond Adams who was a newly hired gymnastics coach. He came to Bieger International Gymnastics with outstanding credentials and multiple background checks. Unfortunately, an allegation of improper contact was made by a mother of a gymnast who came to Bieger International Gymnastics with Adams. All of the folks at Bieger International Gymnastics are completely cooperating in every way with the Broward Sheriffs Office investigation and they will continue to cooperate.

We know the Bieger International Gymnastics families take these allegations concerning the safety of their children very seriously and we will continue to make that our top priority. We will update the Bieger International Gymnastics families when we are able to comment, however, the investigation is in its infancy and we do not want to compromise the investigation in anyway.

We will continue to update this website with any new developments but if you have any questions or concerns please contact Howard Scheinberg at Rothstein Rosenfeldt Adler, Attorneys at Law at (954) 522-3456

Thank You,

Bieger International Gymnastics
